 DEC 2011

Termly Achievements

U11 Football

Churcher's College Junior School played in the U11 Independent Schools' 5 a-side indoor football tournament held by St John's College. The standard of play from all schools was impressive, being fast paced and skilful. Churcher's went through as top of their group to face Mayville in the semi-finals. Mayville were a good opposition but Churcher's eventually won 2-0. Churcher's were able to maintain their unbeaten run and won the final 2-1 against St Johns. The team being Lewis Tosedevine, Tom Bloomer, Matthew Cooper, Finn Eastwood, Archie Phillips and Jack Smith. The boys were a credit to the school in their behaviour and demeanour on the pitch. A well deserved victory!
 Mrs Chilton

The Winning Team!

The U11B Team

CCJS hosted our annual 7 a-side football tournament with all teams playing in a round robin format. Our biggest rivals - Liphook Junior were playing and always produce excellent teams. Churcher's qualified for the final and once again met St John's College. Lewis Tosedevine repeated his performance in the indoor tournament and scored the winning goal of the tournament. Congratulations!
 Mr Greenaway

Butser Hill Challenge 2011

To all those who took part a big well done! Eve Rushin (Year 4) came first in her year group, 7th overall - beating boys and girls a year older than her age group. Olivia Brady was 3rd and with Charlotte Dix the girls won the team trophy. Matt Cooper (Year 6) achieved 3rd place and won the team trophy with Lewis Tosedevine and Christopher Butler. A big well done!
 Mrs Chilton

U10 Netball

The under 10's took part in their first netball tournament on Wednesday 5th October at Dunhurst. Thirteen schools attended and the group stage consisted of five matches. Churchers played brilliantly to win all five games and top their group, scoring a total of 18 goals but conceding only 2! A tense semi-final saw them beat Windlesham House 2-1 after extra time. The final against St Edmunds was closely contested with an excellent display of netball from both sides. Churchers narrowly lost 2-0. The standard was exceptionally high and the girls should be very proud of their silver medals! A great achievement.
